### \$6.92 Million in Byrd Funds Available for Distribution to Shrimp Industry in FY2010

U.S. Customs and Border Protection has sent letters to qualified applicants for Byrd fund distributions indicating that \$6.92 million in collected antidumping duties will be available for distribution to the shrimp industry for fiscal year 2010.

Since FY2006, \$193 million in collected antidumping duties have been made available for distribution to the shrimp industry pursuant to the Continued Dumping Subsidy Offset Act (CDSOA). The vast majority of the \$193 million was made available for distribution in the first three years of Byrd distributions (FY2006-FY2008), when \$181 million in antidumping duties on shrimp imports were collected.

In the last two years (FY2009-FY2010), the total amount available for distribution has been \$12.18 million, less than seven percent of the duties collected on shrimp imports between FY2006 and 2008.

The total amount of duties collected and made available for distribution is provided on a year by year basis in the following table:
